Church Planting, trying to develop a fully functioning indigenous church

Bible Institute (*Projekt.B - Bible Knowledge for Life*)

Maranatha Junior Bible camp with the independent Baptist Churches in Bavaria.
Our whole family went to camp for the first time.

Our theme for our VBS this year was, "Building our lives on the Lord." 30 children registered with a high of 26 one day.

“Construction Workers” posing from the Bible story / Missionary story area (our living room).

Posing in front of the mural Cara painted. It is hard to believe half of our children are already too old for VBS!
That is ok though. We gain a few more workers for a few years.

With our co-workers, Stan and Grace Shelton and family, on furlough, Cara and another lady in our church alternated weeks playing the piano for church. It was a blessing to see Cara use her talent for the Lord. She turns 15 this month.
