Prayer Requests

1. Pray for us as we continue with furlough until January 17, 2017.
2. Pray for Faith Baptist Church during our absence, for spiritual growth for each member of the church as well as church unity, and true co-laboring among the leaders of the church.

This is the group that went to family camp this year, back in May. It was our first family camp, and went very well, praise the Lord. We had several unsaved family members come to camp as well as church members

This was taken in the city of Portoviejo, a city that is about 3 hours north of Guayaquil, the city we minister in. Portoviejo was heavily affected by the earthquake in April. This picture shows the rubble in one of the streets, and the building tilting over after partially collapsing. Many lives were lost during the earthquake, and there are many opportunities for ministering in the aftermath. Our church was able to send supplies to pastors in several cities and towns in the affected zone.

This is a photo of our mission's conference speaker last year, who is a national pastor from Ambato, Ecuador, as well as a Peruvian missionary to the city of Guayaquil. Faith supports 3 missionary families, as well as one missionary project (a Christian radio station). We had one single lady serve in Africa for 9 months as a missionary, and are praying to send out others and support more missionary families.

This shows when the kids and I turned our dining room table into a "covered wagon" and we played settlers. When Mommy is at the monthly lady's meetings, we try to make it interesting and fun at home.
